PRESS RELEASE **February 6, 2012**

Sgt. Pat Paterson reported that on Saturday, February 4, 2012 at 8:25 pm, Lake County Sheriff's Office deputies were called to investigate a residential burglary at 7090 Rushmore Way, in Concord Township. The resident returned home from a morning departure to find the home ransacked. It was determined that entry was made through an unlocked rear window. Jewelry items valued over \$5,000 were stolen from the home.

As deputies investigated the incident, another resident of Rushmore Way reported their screen door had been tampered with between the hours of 6:30 pm and 8:30 pm. The time parameters acquired from the suspicious incident suggests the burglary occurred in close proximity to the time the resident returned home. Rushmore Way is a condominium complex situated off Prouty Rd. Anyone having made observations of suspicious persons or vehicles in this area during the specified times are asked to contact the Sheriff's Office at (440) 350-5620. The incident remains under investigation.
